

RUGBY JERSEYS

You tell us what you want and we produce it for you.....

We can produce rugby kits in a choice of fabrics and either cut & sew or sublimated. Cut & Sew kit has a cheaper base price but then you have to pay extra for numbers, logos, crests, sponsors etc. whereas sublimated kit includes all these in the price. Also you can be far more imaginative in the design of sublimated jerseys and shorts.

We cover the full range of rugby players from elite professional to junior club players. Prices are given below:
