

TAG RUGBY

Our tag rugby singlets, jerseys and shorts are made from 100% polyester and you have the choice of either interlock or honeycomb. Both are hard-wearing, soft and comfortable to wear. For our tight shorts we use poly-lycra which is stretchy, and just the same as for the interlock and honeycomb fabrics wicks moisture away from the body and dries quickly.

Both the Singlet and jersey are ideal for playing and also for leisure. They are produced using 100% polyester with all design, crest, sponsor details etc. sublimated into the fabric to give a soft and comfortable feel. Names and Initials can be added to this garment.

Our 100% Polyester shorts have an elasticated waistband and drawstring with velcro patches on each hip. Our poly-lycra tights also feature an elasticated waistband and also have a silicone hem around the thigh. They also have velcro patches on each hip.
